Lee,

These OMB edits all look fine and value add to me, but your team is the expert on this. Are you okay with these?

Attached are OMB's comments on SAC QFR REE – 001-003. Leah Fine, the OMB Examiner, noted the comments in each answer are high priority for OIRA. More specifically:

# Deliberative Process / Ex. 5

Thanks, as always, for making sure we have good responses.

All the best,  
Paige
